President's welcoming address

Dear Athletes,
Dear Visitors,

It's that time again! The Wheelchair Curling Tournament in Wetzikon will be held for the 11th time, from 12th till 14th of October 2018. Teams from around the world will participate. The Swiss Paraplegics Association as a benefactor will be glad if you attend this event and cheer on the teams to their highest performances.

The task of Wheelchair Sport Switzerland is to promote popular sports, sport in the wheelchair clubs and competitive sports. Occasions like this help us to increase awareness of sport and to motivate as many paraplegics as possible to play sport with fun and fairness.

The organizing committee has done an excellent job in organising this great event. It is only possible thanks to the generous support of sponsors, patrons and the many helpers. We thank everyone sincerely for their valued contributions.

To the athletes we wish much success and sporting personal bests! You, dear viewers, can look forward to many exciting contests and great entertainment.
